

EXT. ARBEIVILLE-DAY

A guy in a high-tech suit crouches on the roof of a building. He pulls out a pair of high-tech binoculars. He scans the area. Suddenly, over the horizon of buildings, The Unstoppables can be seen battling someone. The high-tech guy nods. He speaks into a wrist communicator.

HY-TEK

Target acquired. I'm moving in.

He flies over the rooftops using a jetpack to the battle. He watches from the roof of a building. The Unstoppables battle Hodolph, who is wearing a belt that is shooting laser beams in random directions. Ivan and the rest of the team work together. He smiles at Hero as they go back-to-back to fight.

IVAN

Did I mention that you look lovely
this morning?

Hero laughs.

HERO

Only three times already!

IVAN

Well that's only because its true!

As Ivan says this, he picks up the cover of a manhole, uses it as a shield from a laser, and then flings it at Hodolph. He falls to the ground, his belt is broken.

JAYDE

Cuff him, Nightlurker!

Nightlurker uses his magic to cuff Hodolph. The Brawn picks up the broken belt.

THE BRAWN

Well, that was fast.

Hero looks at the belt.

HERO

Willis will have a hay day with
this.

Ivan lifts a fist in triumph.

IVAN

Looks like The Unstoppables have
saved the day again!

Suddenly, a harpoon skewers Ivan's arm. He groans in pain. Everyone gasps, and looks at where the harpoon was shot from. Hy-tek sits with a harpoon gun. He tugs at it, and Ivan grunts in pain, taking a few steps forward to put some slack on the line.

IVAN

What's the deal, man?! I'm no Moby
Dick!

Hy-tek says nothing, but turns on his jetpack. Before he can take off with Ivan, however, a gunshot sounds, and the line is broken. Hy-tek looks back, but then turns and flies away. Hero holds up a smoking gun. Ivan nods his thanks to her, but jumps up, following the harpoon-wielding foe. He gets up to the roof where Hy-tek was, but sees nothing. He scans the sky, confused. The rest of the team appears.

NIGHTLURKER

Where did he go?

IVAN

Dunno. Ugh!

Ivan pulls the harpoon out of his arm, and his arm begins to heal.

IVAN

Maybe we should take this back to
Willis, too.

Hero kneels down next to him.

HERO

Ivan, are you okay? That's a lot of
blood!

Ivan smiles.

IVAN

There's more where that came from.
I'm fine.

The two look at each other meaningfully. Nightlurker snorts.

NIGHTLURKER

No need to get too engrossed in one another at the moment. Our mission is complete. We should report back to The Tower.

Ivan wiggles his eyebrows.

IVAN

I think someone's jealous!

Hero giggles.

BLACK (V.O.)

Only we would flirt after getting shot in the arm with a harpoon.

The team gathers and heads back to The Tower.

INT. LEGEND'S OFFICE-DAY

The team sits at the table, with Legend at the head. He smiles.

LEGEND

Well done, team! Hodolph is back in solitary confinement, and his latest weapon has been confiscated! Looks like you've all finished work early today!

The Brawn pumps his fist in the air.

THE BRAWN

Sweet!

LEGEND

You are all free to go. If there is anything else, I will reach you using your radio watches. Dismissed!

The team gets up to leave. Ivan links arms with Hero.

IVAN

I think I hear a fancy restraunt
calling our names!

HERO

That's some good hearing you've got
there!

BLACK (V.O.)

We are so full of cheese.

Ivan and Hero walk past Nightlurker out of the room. He
watches them leave, a serious expression on his face. He
turns back to Legend. They are the last two in the room.

NIGHTLURKER

Legend, Sir?

LEGEND

Yes, Vlad? Something the matter?

NIGHTLURKER

Oh, no Sir. I was just curious.
What is the state of Jaqui these
days?

LEGEND

Last I heard, she was still locked
up in the city jail.

NIGHTLURKER

Good. As she should be.

Nightlurker looks saddened. He leaves the room.

INT. FANCY RESTRAUNT-EVENING

Ivan and Hero are out of full gear. They look perfectly
normal. They sit together at a table and talk and laugh.
Ivan leans over on the table.

IVAN

So, Hero. I've been meaning to ask.
You're training here at a super
hero facility, so why do you want
to be a mercenary?

Hero lowers her eyes and picks at her food with her fork
before she answers.

HERO

Well, with the kind of training I've recieved, it just seemed to be the option that fit the best. Plus, it pays extremely well.

Ivan smiles.

IVAN

Well then! Maybe I should be a mercenary!

The two laugh a little. Ivan looks up to see Hero's face as she laughs. Then she looks at him. The two lean in, and kiss. After a while, they pull back.

IVAN

I didn't know that we could get time off. This is nice!

HERO

Yeah! I think so too!

IVAN

So, what do you think the others are doing with their time off?

HERO

Well, Jayde is training. I can tell you that right now. She's always training.

IVAN

And The Brawn mentioned he wanted to go fishing. I wonder if he got around to it.

Ivan chuckles.

IVAN

I bet Vlad's in his room, all lights turned off, and he's muttering incantations or brewing something in a couldron.

He and Hero laugh. Hero turns her eyes up to Ivan, a small smile lingering on her lips.

HERO

Ivan?

Ivan is about to answer, when a loud crash happens outside. They both turn to the window. People are running down the street, screaming. Ivan stands up.

IVAN

Hold that thought, Honey!

He grabs her hand and they run out of the restraint together.

EXT. ARBEIVILLE-EVENING

Ivan and Hero exit the restraint holding hands. They look around. Hero gasps and points up the street.

HERO

There!

Ivan turns to look. There is a large, beastly creature tromping down the street, roaring. Ivan's and Hero's watches both beep. They answer them. Ivan pushes a button on it and Legend's face appears.

IVAN

Sir!

LEGEND

Unstoppables! We have a situation! There is a large mutant rampaging the city! It's current location is 28th street! Report there as quickly as you can!

IVAN

Yes, Sir!

Ivan switches off the watch. He turns to Hero.

IVAN

I don't have my gear. We're gonna have to wing it.

Hero smiles and pulls a gun out of her purse.

HERO

A woman is never unprepared.

Ivan blinks in surprise.

IVAN
You're so hot!

Hero winks and jumps towards the creature. Ivan looks around.

BLACK (V.O.)
We gotta get to the roof! We work better when we can get a higher-up view!

Ivan nods. He spots a fire escape. He clambers up it and gets onto the roof. Then he looks around. The beast is still making its way down the street, roaring. Ivan street jumps in that direction. As he goes, someone else is seen running along the rooftop with him. Ivan notices.

IVAN
Greetings, citizen! It's dangerous up here! You better leave this to The Unstoppables!

NIGHTLURKER
It is me, you idiot!

IVAN
Nightlurker? Wow, I didn't recognize you without your suit and mask and all that! You look completely normal!

NIGHTLURKER
And that surprises you?

IVAN
Well, yeah! A little.

Nightlurker tosses Ivan a small bundle.

NIGHTLURKER
I was at The Tower, so I managed to grab these before I left.

Ivan unwraps the small bundle. It is his wrist and ankle guards.

IVAN

Thanks, pal! Let's get this baddie!

As Ivan pulls on his guards, he and Nightlurker join up with the monster. Hero is there, on the street in front of the monster. She shoots at it, but her bullets seem to have no effect. The monster looks irritated. Ivan gets a good look at it.

BLACK (V.O.)

45 to 50 feet tall, armored skin, small forearms, relies on big teeth and thick tail for smashing. Small eyes and ears, big nose. Relies more so on smell. Weak points?

Ivan looks at the monster.

IVAN

Uh, weak points. Weak points. Nightlurker?

NIGHTLURKER

The neck area seems to have softer skin. See if you can place any paralyzing blows. I'll try to slow it down!

Ivan nods. Nightlurker runs to the edge of the roof, thrusting out his hands and uttering a spell. A black, web-like substance appears and stretches from one side of the street to the other. It also grows in height to match the monster. The monster stumbles right into it, getting caught in the web. Ivan jumps and lands on the monster's shoulder. He winds up for a punch, just as he monster whines in a deep voice.

CRASH

No! Owie! Stoppit!

Ivan hesitates.

IVAN

You can talk?

Nightlurker groans, still holding out his hands.

NIGHTLURKER

What are you waiting for, Street
Ninja? I can't hold this monster
here forever!

Jayde appears next to him in normal clothing as well.

JAYDE

Maybe I can help!

She uses her psychic powers to help him. Ivan jumps onto the monster's snout.

IVAN

Hey, monster! Hey!

The monster looks at Ivan, momentarily pausing its struggle.

IVAN

What's the deal? I don't want to
hurt you, but you're kind of
destroying the city! Maybe we can
talk this out!

NIGHTLURKER

You cannot reason with it, Ivan! It
is a monster! It cannot understand
what you are saying!

The monster looks at Ivan, and looks as though it is about to speak, when The Brawn suddenly jumps in, placing a super punch to the monster's jaw. The monster cries out in pain. It breaks free of Nightlurker's and Jayde's powers, and takes off down the street. The team follows it.

IVAN

Wait! Hang on a minute!

The monster dives into the bay, and disappears. The team stands at the dock. Nightlurker turns to Ivan.

NIGHTLURKER

Why did you not knock out the beast
when you had the chance? Now it has
escaped us!

IVAN

It talked! Didn't you guys hear it?

HERO

I heard an awful lot of roaring.

THE BRAWN

Maybe you just imagined it, bro.

IVAN

No, I'm sure of it! I don't think it meant any harm. I think it needs our help!

NIGHTLURKER

So you want to help the creature that ravaged our city? Splendid!

JAYDE

I believe him! I sensed elevated stress patterns in the beast's emotions. It seemed frightened.

IVAN

Thank you!

JAYDE

I think if it comes back, we should try talking with it peacefully, rather than attacking it.

THE BRAWN

If it comes back. Well, you da boss, boss!

JAYDE

Until then, let's report back to The Tower.

The team nods, and everyone heads back to The Tower.

INT. LEGEND'S OFFICE-NIGHT

The team and legend sit at the table.

LEGEND

We've got a few security guards looking after the bay. If it decides to come back into the city again, we'll be notified first thing. I'm sorry to have to do this to you, but I'm going to need you to be on call tonight.

Hero and The Brawn groan. Nightlurker grimaces. Ivan blinks.

IVAN

What does that mean?

NIGHTLURKER

It means a rude awakening for us if the monster decides to rear its ugly head tonight. And all because you let it get away!

IVAN

Listen, Happy. I only-

JAYDE

-What's done is done. We'll get this all sorted out soon enough. In the meantime, I'm going to bed.

THE BRAWN

Yeah, I'm tuckered out too. Night, y'all!

Everyone stands. Ivan offers his hand to Hero.

IVAN

Sorry our date was cut short. Can I walk you to your room?

Hero smiles and takes his hand.

HERO

You may.

INT. IVAN'S ROOM-NIGHT

Ivan lays awake in his bed. He sighs, staring up at the ceiling.

BLACK (V.O.)

It's getting harder for us to fall asleep. Is something wrong with us?

IVAN

I don't know.

BLACK (V.O.)

We don't like just sitting here. It gives our mind a chance to wander. And it doesn't wander far without running into something it shouldn't.

IVAN

Like what?

BLACK (V.O.)

Like this.

Ivan's mind flashes with the image of the eye symbol. He flinches.

IVAN

Oh yeah.

BLACK (V.O.)

We need a distraction.

Ivan stands up. He looks around his room. He wanders his room for a little bit when he finds the kitchen. His eyes linger on the toaster. Suddenly, his face lights up.

IVAN

I have an idea.

EXT. ARBEIVILLE-NIGHT

Ivan opens the window in his room and climbs out of it in full gear. He is carrying something under his arm. He street jumps on the rooftops, stopping on top of a radio tower to look out at the city. He takes a deep breath of the night air and smiles.

BLACK (V.O.)

It's a beautiful night.

IVAN

It sure is.

Ivan continues to street jump until he arrives at the bay. He stops on the roof of a warehouse and looks at the water. Suddenly, he turns around, striking a fighting stance. There is a security guard from The Tower behind him. The security guard puts on an uneasy stare.

GUARD

Uh, we're keeping watch in case the monster comes out of the bay. Legend told us to clear the area.

IVAN

Oh, don't worry. I'm here to help with the bay monster situation. I just need you and your guys to head back on home, alright?

GUARD

Home? But we have orders to stay here!

IVAN

Look, I got this, okay? It's ridiculous for you guys to have to spend all night watching the bay! You're all probably tired, and deserve a good night's sleep.

The guard wavers uncertainly.

GUARD

But... Our orders...

IVAN

Listen, if Legend has a problem with it, blame it on me, okay? I'll take care of this. It's what we super heroes do!

The guard stands for a moment.

IVAN

Would it help if I ordered you?

The guard sighs. He grabs his radio.

GUARD

Men, we're heading back to base. A super hero has arrived on the scene and has taken control of the situation.

Ivan hears a few cheers in the surrounding area. He smiles. The guards leave. Ivan turns to the bay. He walks right up to the edge of the water.

IVAN

Alright, buddy! They're gone! Just you and me, now!

At first, there is only silence. Suddenly, the water stirs, and the monster peeks out timidly. Ivan smiles.

IVAN

There you are! Listen! I got something for ya!

Ivan takes the bag out from under his arm and holds it out. It is a bag of toast. He pulls out a slice and holds it up.

IVAN

Lookie here! It's delicious! Mmm-mm!

The monster moves slowly closer. Ivan holds out the slice of toast, and the monster's snout comes closer to smell it. Then it opens its mouth. Ivan throws the piece of toast into its mouth. The monster gulps and licks its lips. Its eyes brighten.

CRASH

Yum yummy!

IVAN

You like that? Here!

Ivan feeds it a few more slices. The monster gradually becomes happier. Ivan holds out his hand. The monster nuzzles it. Ivan laughs.

IVAN

You're not a monster! You're a big softie!

The monster smiles. Suddenly, it growls and ducks back into the water.

CRASH

Stranger! Grr!

Ivan turns. Hero, in full gear, walks up to him.

HERO

Did I scare it off?

They both turn to the water, the monster peeks out of the water. Ivan smiles.

IVAN

Nah, you just started him.

Ivan leans in for a kiss. Hero kisses him, and the two smile. The monster sees this, and comes back over to Ivan.

IVAN

It's okay. She's with me. Here.

Ivan hands Hero a piece of toast. She feeds it to the monster.

HERO

You know, in a monstrous sort of way, he's kinda cute!

Ivan suddenly turns. Nightlurker appears.

NIGHTLURKER

Hero! Street Ninja! The monster is right behind you both! Look out! Acramentos!

Nightlurker unleashes a bolt of dark magic that strikes the monster.

CRASH

Ouch!

The monster roars and dives back under the water. Jayde and The Brawn show up next to Nightlurker. Ivan grunts.

IVAN

What are all of you doing here?

JAYDE

The guards notified Legend that you came out here for some one-on-one time with the monster. Legend sent us after you in case you did something stupid.

Ivan points at the water.

IVAN

That monster is not a threat!

The monster peeks out of the water again and sees Ivan shouting at the others in its defense. Ivan hands Hero the bag of toast and jumps up to the roof where the rest of the team is.

NIGHTLURKER

What is that? Toast? Do not tell me you were feeding it to that creature!

IVAN

As a matter of fact, I was, Beakface! Until you showed up and blasted your magic tricks at him! He's not dangerous!

JAYDE

I believe you, Ivan, but what do you suggest we do about it? It can't stay here in the bay forever!

Ivan thinks for a moment.

IVAN

What if... What if we lead him to somewhere he can be safe and won't accidentally hurt others?

THE BRAWN

That all sounds nice, but I don't think the zoo has an opening for a giant, scaly monster!

Ivan paces, thinking.

IVAN

We have to come up with something!
If the city finds out he's here,
they'll kill him!

NIGHTLURKER

I am alright with that.

Ivan simply glares at Nightlurker, who sighs.

NIGHTLURKER

Alright, alright, I am sorry. I
will help with whatever hair-
brained plan you can come up with
for this creature.

IVAN

Don't apologize to me! Apologize to
Crash!

JAYDE

Crash?

IVAN

That's what I'm naming him!

NIGHTLURKER

It has a name now? Oh, for-

The monster, whose head has emerged from the water, snorts loudly. Nightlurker looks at it, startled. Nightlurker glances at Ivan, who nods his head towards the monster, egging him on. Nightlurker sighs. He uses his magic to jump down from the warehouse roof, and approaches the monster.

NIGHTLURKER

Alright. I... er, I am deeply sorry
for judging you too quickly...
Crash.

IVAN

And?

Nightlurker cringes.

NIGHTLURKER

And for utilizing my powers of the dark magics on you. It was my mistake.

The monster lifts an eyebrow. Nightlurker turns back to Ivan, shrugging. Ivan points at Hero, who holds out the bag of toast to Nightlurker. Nightlurker sighs. He mutters to himself.

NIGHTLURKER

How anyone can eat this stuff, I will never know.

He feeds a piece of toast to Crash. Crash grins and licks Nightlurker upside the head. Nightlurker is disgusted. Ivan smiles as he, Jayde, and The Brawn come down from the roof.

CRASH

Friend!

IVAN

Crash forgives you.

NIGHTLURKER

Delightful.

IVAN

Alright. Let's think. We've still got a few hours before sunlight. Maybe we could sneak Crash through the city to the outskirts before-

HERO

Honey, you can't be serious. Crash is huge! He barely fitted on 28th street, and that's one of the widest streets in ArveiVille!

Ivan sighs, rubbing his forehead.

BLACK (V.O.)

She called us Honey!

Ivan talks to himself.

IVAN

Would you shut up and let me think?!

The team all exchange glances. Ivan continues to pace. Jayde looks at the others.

JAYDE

I'm afraid Ivan might have a point. What else are we to do with the creature? It is trapped here in the bay, because it would not be able to fit under the bridge. We must lead it through the city, then find a place to set it free.

NIGHTLURKER

Where could we possibly set this loose? There must be laws against this sort of thing.

THE BRAWN

If you can find a law that mentions a giant, scaly, monster, you just let me know. Okay?

Ivan turns to look at everyone.

IVAN

We're not getting anywhere just talking about this! We've gotta do something! Jayde, Nightlurker, do you guys think you could lift Crash? Then maybe we could carry him to safety!

Jayde and Nightlurker exchange glances.

JAYDE

I've never tried lifting anything that big before.

NIGHTLURKER

Nor I, but we might as well give it a try!

Ivan nods eagerly.

JAYDE

Alright! Nightlurker, you're with me. Hero, go ahead of us and find us a place to set this creature down. Ivan and The Brawn, we may need your help if things go sour.

The team nods to her.

IVAN, HERO, NIGHTLURKER, AND THE BRAWN
Yes, Boss!

Hero jumps up on the roof of the warehouse and takes off through town. Nightlurker nods to Jayde.

NIGHTLURKER
Ready?

JAYDE
As ready as I'll ever be.

The two utilize their powers. Crash begins to float upwards.

CRASH
Whoa!

IVAN
It's okay, Crash! Just enjoy the ride!

Jayde and Nightlurker strain with the weight of the monster.

NIGHTLURKER
That is easy for you to say!

The monster, surrounded by both a black aura and a teal aura, floats over the warehouses. Nightlurker and Jayde follow him on the ground below. They are both working hard. Nightlurker shakes off his mask, breathless. Ivan leads the way in front of both of them, and The Brawn brings up the rear. Ivan suddenly comes to a halt.

IVAN
Uh oh. Houston, we have a problem.

JAYDE
What is it?

IVAN

There's road construction ahead! We can't use this road! We'll have to take a detour!

Nightlurker grunts in anger.

NIGHTLURKER

A detour? This creature is not exactly light, you know!

JAYDE

How much of a detour?

Ivan consults his wrist communicator.

IVAN

Uh, three blocks.

Jayde and Nightlurker groan.

JAYDE

Well, we aren't getting any closer by standing here! Lets go!

She storms forward. Nightlurker follows. The four head down another street with Crash floating above them, looking uneasy. Suddenly, a light shines on him. Ivan looks up, and sees a helicopter hovering towards Crash.

IVAN

We've got company!

NIGHTLURKER

What next?!

Ivan makes his way to the rooftops. The helicopter turns on a p.a. system.

HELICOPTER

Unstoppables! This creature belongs to us! Put it down or we will open fire!

THE BRAWN

Open fire? On us? But we're the good guys!

Crash panicks.

CRASH

No! Bad people! Bad! Owies!

Ivan notices Crash's fear.

BLACK (V.O.)

Seems to us like Crash must've
escaped from them for a reason.

Ivan turns back to Jayde and Nightlurker.

IVAN

Keep going! I'll cover you!

NIGHTLURKER

What! These people are claiming the
creature! Let them have it!

IVAN

They're also threatening to shoot
the protectors of this city!
They're not good!

JAYDE

I must agree. Their auras are a
darker grey. They are not here to
help us.

A man in the helicopter holds out a machine gun. Ivan draws both of his swords and puts on a determined look.

IVAN

GO!

Jayde and Nightlurker continue with The Brawn following them. Crash floats away. The man with the machine gun points it at Ivan. Ivan sucks in a deep breath and everything seems to slow down. He focuses on his blades, which shimmer with energy. He closes his eyes. The machine gun starts to fire. The bullets move towards Ivan. Ivan raises a blade, and everything suddenly speeds back up. He moves incredibly fast, and deflects every bullet with his blades, keeping his eyes secured on the man with the gun. He stands in one place, only moving his arms.

The gun stops firing. The man shouts at the others on the helicopter, but what he says can't be heard. The helicopter moves toward Crash. Ivan follows. He jumps off of a roof onto the side of a sky scraper. He climbs quickly, so that he is level with the helicopter. He times it just right, and jumps in the open door.

There are three men in the vehicle. The man with the gun, the pilot, and the co-pilot. The man drops the empty machine gun and pulls out a pistol. He shoots Ivan in the chest, but Ivan acts as though nothing happened, proceeding to knock out all three of them. The helicopter starts to swerve, Ivan loos at the controls uncertainly, but grabs the steering gear.

On the ground, Jayde and Nightlurker struggle with the panicked monster. Jayde strains, falling to her knees. Nightlurker calls after her.

NIGHTLURKER

Jayde! Are you alright?

JAYDE

I'm using my powers past their normal capacity! I can't hold on much longer!

The teal aura around Crash starts to fade. Nightlurker groans loudly.

NIGHTLURKER

Do not give up yet! We are only halfway through the city! Buildings would be decimated if we put this down here!

The Brawn comes to her aid, not sure how to help her. Suddenly the helicopter appears from behind a building. Ivan's voice calls out over the p.a. system.

IVAN

Hey, guys! Need a lift? Brawny, I might need your help on this one.

The helicopter lets down a rope. The Brawn grabs hold of it and climbs up. He ties the rope around Crash's middle.

THE BRAWN

There ya go, big guy!

Crash looks pleased. The helicopter pulls upward, but doesn't get far. On the ground, Nightlurker sighs.

NIGHTLURKER

Oh, sweet relief! Jayde! Can you get up?

JAYDE

I think so.

Jayde stands, but looks dizzy. She lifts up her hands again and helps lift Crash. In the helicopter, Ivan fumbles with the controls, managing to help the team move Crash. One of the men wakes up with a groan. Ivan notices and quickly knocks him out again. He speaks into a microphone.

IVAN

We better hurry, guys! Or I'm going to start causing serious brain damage!

The team works together, and start working towards the outskirts. The Brawn climbs the rest of the way up the rope and clambers into the helicopter.

THE BRAWN

Dude, do you know how to fly this thing?!

IVAN

I'm figuring it out as I go along!

The Brawn pulls the pilot out of his chair and drops him on the ground, squeezing into his seat.

THE BRAWN

Give me the controls!

IVAN

You know how to fly a helicopter?

THE BRAWN

Sure! I know how to operate all kinds of vehicles!

Ivan grins, punching The Brawn in the arm.

IVAN

Dude, that's awesome!

On the ground, Jayde and Nightlurker are both panting heavily, exhausted. Nightlurker trips, and loses his focus. Jayde strains under the weight and the helicopter begins to get pulled downward by Crash's descent. Ivan and The Brawn both hang on.

IVAN

Whoah!

Nightlurker jumps to his feet to help again, but his magic is very faint.

NIGHTLURKER

My magic is sapping my stamina! I
have almost none left!

Hero stands on top of a building on the outskirts, and is watching the whole ordeal from afar. She loads her gun with a strange looking bullet, and shoots at the sky. A firework explodes above her. Then she runs towards the team. In the helicopter, Ivan points at it.

IVAN

There's Hero! She must've found a
wide-open enough area to put Crash
down for a while!

He looks down at Jayde and Nightlurker on the ground.

IVAN

But I don't think those two are
gonna make it. And this helicopter
isn't strong enough to carry Crash
all alone. Unless...

Ivan ducks under the dashboard. The Brawn glances at him.

THE BRAWN

What are you doin' down there?

IVAN

Gonna beef this bad boy up!

THE BRAWN

Dude, not cool! While we're in the air?! Do you even know what you're doing?

IVAN

Trust me! I know what I'm doing! I don't know how I know, I just do! Focus on flying!

Ivan punches a hole in the underside of the dashboard, and peels the covering away to reveal all sorts of working electronics. He begins to mess with them. On the ground, Jayde suddenly goes very pale and drops to the ground. Nightlurker sees this and roars in an effort to make up for the lost energy. Despite his efforts, Crash begins to sink.

NIGHTLURKER

Jayde!!

The Brawn yanks on the controls.

THE BRAWN

We're losing altitude, and fast! Street Ninja, whatever you're doing, do it faster!

Ivan is messing with wires. One of them shocks him. He grunts, but continues working.

IVAN

C'mon, c'mon!

Crash lowers at a dangerous rate. The building below him is revealed to be an orphanage. Nightlurker sees this and grunts.

NIGHTLURKER

An orphanage! It had to be an orphanage!

Nightlurker uses his magic again and slows the rate at which Crash is falling. Crash is just about to crush the orphanage, when the helicopter suddenly roars to action, working much faster than before. In the helicopter, Ivan cheers.

IVAN

Woo! Yes!

He throws a rope down to Nightlurker. Nightlurker grabs up the unconscious Jayde and clings to the rope. Hero, who approaches the scene, looks at her watch communicator.

HERO

Ivan?

Ivan's face appears on her watch.

IVAN

Climb aboard! I've found the perfect place for our friend!

Hero pulls out a different gun, points it at the helicopter, and fires. It is a grappling hook. The beefed up helicopter lifts Crash and the team and they fly away.

EXT. CRASH'S ISLAND-NIGHT

The island is small, but lush. The helicopter is parked on some flat rocks to one side. Crash stands, towering over the team. Jayde and Nightlurker sit on the sand, tired. The three helicopter operators are tied together on the sand a little ways away. Crash smiles down at the team.

CRASH

Friends help Crash! Crash love new friends!

IVAN

Aw, don't mention it, big guy!

Crash bends down and licks Ivan upside the head. Ivan laughs.

IVAN

This is your new home! You can be free now! I'll visit when I can!

HERO

Ivan, how did you find this island?

IVAN

I pulled up a map on my watch and searched for the closest deserted island I could find.

Suddenly, the pilot speaks up.

PILOT

He can't stay here! Our boss won't have it!

Ivan turns to the three offenders with a menacing look. He walks right up to them, the three of them shrinking away.

IVAN

And just who is your boss? Please, tell us!

CO-PILOT

W-we can't tell you! He would have us killed!

Ivan straightens, a bored look on his face.

IVAN

Right. We'll let the cops deal with you lot.

Hero yawns.

HERO

I agree. We've been up all night with this little adventure! I need some sleep!

THE BRAWN

Looks like Jayde and Nightlurker beat you to it.

The three look at their teammates, and see them both lying out on the sand, sound asleep. Jayde is using Nightlurker's arm to rest her head. Ivan notices.

IVAN

Are these two-

HERO AND THE BRAWN

No.

IVAN

Oh... Well, we better go. Bye,
Crash!

CRASH

Bye bye, friends!

The team wakes up the two who were asleep, packs up the three perpatrators, and the helicopter flies away into the sunrise. The Brawn drives, the three offenders are squished into the seat beside him, Jayde and Nightlurker are each asleep to one side of Ivan and Hero, who are in the middle. Hero leans her head on Ivan's shoulder and falls asleep. Ivan smiles and kisses the top of her head.

INT. LEGEND'S OFFICE-MORNING

The team sits at Legend's table. The map shows up on the holograph viewer.

LEGEND

You did well last night, team!
Ready for another day of super hero
work?

The team all groan loudly, save for Nightlurker, who has fallen asleep in his chair. The Brawn rests his head on the table. Jayde struggles to stay awake, and Hero sighs tiredly. Ivan sits at the table, looking around at everyone else. He is perfectly fine.

BLACK (V.O.)

Maybe having trouble sleeping isn't
so bad after all.
