

EXT. ARVEIVILLE-DAY

Even though it's daytime, the sky is rather dark. The Unstoppables race through the city. All of them are panting heavily.

IVAN (V.O.)

While I was spending my time in the desert, my friends back home were having troubles of their own.

Nightlurker growls.

NIGHTLURKER

Blast that stupid imposter! The city is losing its faith in us because of him!

HERO

Don't look at me! Jayde was the one who said "Ivan will answer to us if he ever came back!"

JAYDE

This Ivan never left! He must have been created by that monster from the Inner Eye!

THE BRAWN

Yeah, but the city doesn't know that! They think Ivan's come back and is running amok in our city!

NIGHTLURKER

Look how helpless we seem! If we cannot catch whoever this imposter is, all other villains will think we have gone soft! They will all launch an attack on our city!

HERO

I see him!

Hero points a ways ahead. Imposter Ivan clings to a sky scraper, smashing windows as he goes.

THE BRAWN

Didn't this guy kill himself?

JAYDE

If the Inner Eye can make one, they  
can make more.

The Unstoppables stop on the roof of the neighboring  
building. Imposter Ivan sees the heroes, and grimaces.

IMPOSTER IVAN

You stupid miscreants! Can't you  
just leave a mutant be?!

JAYDE

Not when that mutant is destroying  
city property. Stand down!

IMPOSTER IVAN

Shut up! You idiots have no idea  
what's going on, do you?!

THE BRAWN

Is it just me, or does he have a  
different voice than before?

Nightlurker runs at the imposter and blasts him with a ball  
of black energy.

NIGHTLURKER

She said stand down!

The imposter gets blown to one side. He falls onto the roof  
of another building. He groans and sits up slowly as the  
heroes approach him. Hero holds up her guns.

HERO

What was that you said about  
something going on? I'm curious to  
know.

The imposter holds his hands over his face, cowering.

IMPOSTER IVAN

Please! Please don't shoot! I'll-  
I'll tell you everything! I swear!

HERO

Start talking!

IMPOSTER IVAN

I didn't even want this! But Master! Master can make people do what he wants! He... He can change people!

THE BRAWN

You better start making some sense, quick!

IMPOSTER IVAN

No! Please! The Inner Eye! You can go there! See for yourself! Master has-

Suddenly, a dart flies through the air and strikes the imposter's shoulder. He looks mortified.

IMPOSTER IVAN

No! This can't be happening! I didn't want this!!

The team watches in horror as the imposter begins to dissolve away. The imposter tries crawling towards them, reaching out a hand.

IMPOSTER IVAN

You have to stop him! Everyone will die! Aaaaaahhhh!

The imposter crumples away to ashes, and the syringe dissolves in the ashes. The heroes stare in horror, but Nightlurker looks around.

NIGHTLURKER

Where did that shot come from?! Who is out there?!

JAYDE

I have a really bad feeling about this.

THE BRAWN

So... Was he a bad guy, or should we have tried saving him?

Nightlurker bends down to the ashes. He pulls out a plastic bag, and gathers the ashes into it. He puts the bag in his vest pocket.

NIGHTLURKER

I suggest we split up.

JAYDE

I agree. Nightlurker, you and Hero will take that back to the lab to be tested. The Brawn and I will go to the warehouses.

Nightlurker makes an uncomfortable sound.

NIGHTLURKER

I should- I should go with you, in case you find something dangerous.

Jayde smiles at him sadly.

JAYDE

Don't worry. I'll be fine.

The Brawn gives Nightlurker a thumbs up.

THE BRAWN

Yeah, Lurky! I'll protect her!

The two teams nod at each other before splitting up. Nightlurker notices that Hero seems disturbed.

NIGHTLURKER

Is something the matter, Hero?

HERO

I know it wasn't really Ivan, but... It looked just like him! It was like watching Ivan disintegrate before my eyes!

NIGHTLURKER

Do not worry. I am sure wherever Ivan is, he is taking care of himself.

The two heroes run back to The Tower.

INT. MEDICAL WING-DAY

Hero and Nightlurker stand in the corner of the room, while Anya studies a sample of the ashes floating in the beam of light in the middle of the room.

ANYA

It's definitely burnt flesh, mixed with a hint of a chemical strain I've never seen before. I can only assume it is what desintegrated whoever this was.

NIGHTLURKER

I apologise for not gathering a better sample of his remains. There was not much left. Our first encounter with an imposter like this resulted in the imposter disappearing entirely.

HERO

I wonder why it was different this time?

ANYA

Hmmmm... Amos, fetch me that sample of hair Ivan gave us.

AMOS

The sample from his "mother"?

Anya nods, and Amos leaves the room. Nightlurker cocks his head.

NIGHTLURKER

Is there some kind of correlation?

ANYA

I have a bad feeling that there might be, but we'll know for sure soon enough.

Amos returns with a small plastic bag with the hair sample. Anya takes the hair sample out of the bag using a pair of tweezers. She adds it to the beam of light. Information begins showing up on the surrounding computer monitors.

Anya turns to read what is on the computers, and writes some notes down on a clipboard.

ANYA

Huh! Odd...

HERO

What is it?

ANYA

The DNA is a complete match. That was unexpected...

HERO

What?! That's impossible! The woman that pretended to be Ivan's mother is the same person as the man who impersonated him?

NIGHTLURKER

I think that imposter was right.

Everyone turns to look at Nightlurker.

NIGHTLURKER

There is indeed more going on here than meets the eye.

INT. DARKENED LABORATORY-DAY

There is a room filled with all sorts of random machinery. A small light shines on a large black flag with a dark purple symbol of the Inner Eye in the middle. It hangs on a wall. The room seems empty, but there is suddenly the noise of something shuffling around. We see glimpses of a dark creature taking things from off the tables, gathering them into its arms. Then it shuffles into another part of the lab. At the end of the room, we see a darkened corner, with a pair of glowing eyes. The Dark Figure moves slightly in the darkness, blinking his creepy eyes. The creature shuffles into the room timidly. We can now see that it is skinny and grey colored, with big, frightened eyes.

THE DARK FIGURE

Noel. Thank you for fetching these things for me.

Noel puts the objects on the floor and shrinks away.

NOEL  
You're... welcome, Master.

The Dark Figure reaches out of the darkness with a withered hand, and picks up a few of the objects, studying them. Noel lingers in the room. The Figure's eyes turn back to her.

THE DARK FIGURE  
Was there something else?

NOEL  
W-well, I was just... I mean...  
Nothing, Sir.

Noel turns to leave. The Dark Figure turns his eyes back to the objects.

THE DARK FIGURE  
Very well.

Noel swivels back around.

NOEL  
Sir! I want to be that woman again!

There is a long silence. The eyes slowly turn back to her.

THE DARK FIGURE  
When you impersonated Ivan's  
mother?

NOEL  
Yes!

THE DARK FIGURE  
I understand. You believe that by  
doing these favors for me, and  
behaving yourself exceptionally  
well, I would simply let you become  
like those stinking rats on the  
surface. Is that it?

Noel remains silent. Then she slightly nods her head.

THE DARK FIGURE

Oh, Noel. Poor, misguided, naive  
 Noel. I didn't create you so that  
 you could spend your time  
 daydreaming about something that I  
 would never allow to happen.

Disappointment appears on Noel's face. A small television screen in the corner of the room shows the outside. Jayde and The Brawn can be seen walking around near the warehouses. Jayde says something to The Brawn, and he shrugs. Jayde signals for them to leave. Suddenly, another creature that looks like Noel enters the room. It addresses The Dark Figure with a deeper voice.

CREATURE

Sir! We just got report that  
 Connelley was eliminated.

THE DARK FIGURE

By what means?

CREATURE

He was attempting to give away  
 information to The Unstoppables.

THE DARK FIGURE

Did he succeed?

CREATURE

No. He was desintegrated.

The Dark Figure sighs.

THE DARK FIGURE

Another one bites the dust.  
 Eventually, people are going to  
 start getting suspicious, if they  
 even care what happens to that dear  
 mutant superhero of ours. Have our  
 scouts found him yet? We didn't  
 count on the idiot running out of  
 the city. I was hoping he would get  
 himself arrested again. That would  
 make getting at him that much  
 easier.

CREATURE

Our scouts haven't found him, Sir.  
We'll keep trying.

THE DARK FIGURE

See that you do. Is Jenkins out  
there? I would like to see him.

CREATURE

Jenkins! Get in here!

A third creature walks in, looking slightly confused.

JENKINS

Master?

A dart flies from The Dark Figure's corner, and strikes Jenkin's in the chest. Noel gasps, as does Jenkins. Jenkins groans, crumpling to the ground. His appearance begins to change. As Jenkins does this, The Dark Figure addresses him calmly.

THE DARK FIGURE

Jenkins, you will take Connelley's  
place. If you do well, I will  
reward you greatly. If you fail,  
you will die.

Jenkins stands up. He looks exactly like Ivan. He salutes The Dark Figure.

JENKINS

I am honored, Master. I will taint  
the name of Street Ninja, and I  
will not get caught by The  
Unstoppables.

Jenkins and the second creature leave.

THE DARK FIGURE

You're still here, Noel.

NOEL

Master, I... I just want to live a  
real life.

THE DARK FIGURE

Ask me this again, and I will have  
you killed. Dismissed.

Noel looks hurt. She slowly turns and leaves the room. Once outside, she suddenly puts on a look of determination. She walks down the cavernous hallway. She sees Jenkins and the other creature talking. Jenkins is swinging a metal pole, looking pleased.

JENKINS

I have been training for this! I daresay I'm even as good as that would-be hero! I wonder what I should do to humiliate him first? Oh! I could kill one of The Unstoppables! That will definitely get the city's attention! I should ask Zampano for some advice!

Noel ducks away, and walks down another hallway. She enters a room with a giant cloning machine. There are several tubes lining the sides of the rooms, holding similar looking creatures as Noel and the others. Noel sighs, walking past the sleeping clones, looking at them pityingly. Finally, she comes to a door. She looks afraid, but puts on a brave face and approaches it. A creature stops her.

GUARD

Stop! What business do you have outside?

NOEL

Like I would tell you! It's a secret mission from Master himself!

GUARD

How do I know for sure? It's no secret you want to become one of those simple-minded-

NOEL

Don't forget who you're talking to! I'm one of Master's elite! At least I'm not stuck with only a door for company!

The guard looks taken aback. He slowly pulls out a key and unlocks the door. Noel takes a deep breath, and goes outside.

INT. LEGEND'S OFFICE-AFTERNOON

The team and Legend sit around the long table. The Brawn leans his head in his large hand, sighing.

THE BRAWN

I miss Ivan. I haven't had anyone to play against on the Zbox in weeks!

NIGHTLURKER

You really must do something about this addiction...

LEGEND

Theodore does have a point, Vladimir. It's has been quite a long while since Ivan left us.

HERO

And we're still no closer to closing this case than we were when we chased him out of town! Maybe this wasn't such a good idea.

JAYDE

I think life might be better for him out there in any case. At least he gets to escape this nightmare.

NIGHTLURKER

Not necessarily. He is investigating the Desert Outpost, after all.

HERO

I wonder how he's doing...

THE BRAWN

Yeah, I mean, I'm getting kinda worried. Didn't we say we'd contact each other if something happened?

EXT. SAGE HILL-AFTERNOON

Ivan walks his sandrider back into town, looking shaken. He holds his map limply in his hand, a big red circle around

the area where he found the warehouse. He comes to a stop when he sees Sarah playing with her children on the porch.

THE BRAWN (V.O.)

We haven't heard from him since he left. I wonder if he's alright.

The children look up and see him, smiles spreading across their faces. Ivan smiles back at them, hiding the map behind his back. The children run to him, and he picks them both up in a group hug, laughing. Sarah walks towards him. Ivan hands Abbey to her mother, and Ivan reaches over and puts the map in a pocket on the saddle. Then he puts Drew on his shoulders and walks towards the house. Sarah smiles, but looks back at the saddle. She sees the circled square on the map, and looks back at Ivan, confused.

NIGHTLURKER (V.O.)

Do not worry, Theodore. I am sure he has not forgotten about us.

EXT. ARVEIVILLE-NIGHT

Anya and Amos walk together down a street towards The Tower. Anya smiles down at Amos.

ANYA

Thanks for coming with me to the store, Amos. It's nice to get fresh air once in a while.

AMOS

I'll say! That medical wing does get a little boring sometimes.

Anya nods in agreement.

AMOS

Crazy stuff, huh? All that Davis Foundation and chimera buisness.

ANYA

You don't know the half of it.

AMOS

There's more?!

ANYA

Yep.

Anya reaches up and rubs the ring on her necklace.

ANYA

I've never really told anyone what happened. I've just let Legend and those guys tell people.

AMOS

What does the Davis Foundation have to do with you?

ANYA

It all started while I was waiting for the nine o' clock train...

EXT. ARVEIVILLE-MORNING

Noel sighs and peeks out of an alleyway. She looks tired.

NOEL

Gotta get to The Tower without being seen, but I keep getting lost!

Gadget Guy, The Shade, and Tank, all in normal attire, walk down the street together.

TANK

I know! We hardly get any time off anymore since Street Ninja convinced Legend to have faith in us again!

THE SHADE

It's gotta be payback for the way we treated him while he was our leader.

GADGET GUY

I hope they get this whole mess figured out soon. Street Ninja's whacko, but he doesn't deserve this.

NOEL

Street Ninja...?

Noel leans against a trash can while listening to them, and accidentally knocks it over. The young heroes turn in surprise. Noel freezes in fear.

TANK

Whoah! What is that thing?!

Noel whispers.

NOEL

I... I'm sorry... I'm sor...

The Shade smacks Tank's arm lightly.

THE SHADE

Be nice!

The Shade crouches down in front of Noel, smiling and holding out a hand.

THE SHADE

Hey there, little one. Are you lost?

Noel looks up at The Shade, wide-eyed and speechless.

GADGET GUY

Careful, Tiana. I've never seen anything like that before.

THE SHADE

Well, that's a stupid thing to say, Gordon! We're just as unique!

The Shade turns back to Noel.

THE SHADE

It's okay. I'm not gonna hurt you.

Noel draws slightly closer.

NOEL

I... I'm Noel.

TANK

Did that thing just talk?!

The Shade throws a piece of trash at his face. She carefully picks Noel up into her arms.

THE SHADE

Don't listen to him. He's not the brightest. My names Tiana!

GADGET GUY

Don't tell me you're thinking of keeping it as a pet.

NOEL

P-please! You need to help me! I need to talk to The Unstoppables!

THE SHADE

The Unstoppables? Why?

NOEL

They could be in grave danger! But we can't talk here! The city has eyes and ears every-

The Shade senses something and quickly turns into her ghost form. Because she is holding Noel, she turns with her. A few darts fly right through them, breaking on a brick wall. The team automatically groups together, striking fighting stances.

THE SHADE

You heard Noel, you two! Let's head back to The Tower!

TANK AND GADGET GUY

Right!

They run back the way they came, The Shade clinging to Noel.

INT. LEGEND'S OFFICE-MORNING

The team sits around the long table with Legend again.

HERO

Does it strike anyone as odd that, besides these crazy Ivan copies, crime has gone down since Ivan left?

## NIGHTLURKER

Well, Hodolph has been in somewhat of a creative slump ever since his wife was admitted to the sanitarium, and his nemesis was chased out of town.

## THE BRAWN

True. But what about Zampano and X. Plode and those guys?

## GADGET GUY (O.S.)

You guys have bigger problems right now!

The team turns to see The Epics, standing next to the closed door.

## LEGEND

Tiana! What have I told you about using your powers to sneak you and your friends into private meetings?!

## THE SHADE

Sir! Listen to what Noel has to say!

## JAYDE

Noel?!

## NOEL

Unstoppables! I know you have no reason to trust me, but listen! My master has created a new copy of Street Ninja that is different from the others! He's planning to kill all of you!

## THE BRAWN

I feel like I'm being underestimated. People try to kill us like, twice a week.

## NOEL

No! You're underestimating Jenkins!  
He's cunning, and he is asking  
Zampano for help!

NIGHTLURKER

Zampano? Why him?

LEGEND

What I want to know is how you know  
all of this. Just who are you?

JAYDE

You're from the Inner Eye, aren't  
you?! You share a name with the  
woman who pretended to be Street  
Ninja's mother!

NOEL

I don't just share a name with her.  
That was me.

NIGHTLURKER

I do not... Wait, that is how your  
leader is able to make copies of  
Street Ninja! You are a chimera!

NOEL

Yes.

Noel hangs her head.

HERO

Why are you telling us this?

NOEL

Because... I have been betrayed by  
my master. And as my time as a  
human, I've grown... fond of them.

Nightlurker stands.

NIGHTLURKER

Well! This definitely changes  
things!

HERO

What do you mean?

NIGHTLURKER

Now we have the upper hand! I have a plan!

THE BRAWN

Please tell me it's not like your plan to run one of our teammates out into the desert?

NIGHTLURKER

I am not subtracting from our numbers, I am adding to them. Epics!

The three young heroes flinch back at Nightlurker's sharp voice.

GADGET GUY

Y-yes Sir!

NIGHTLURKER

Bring Noel to the medical wing. We have work to do.

INT. ZAMPANO'S CLUB-DAY

Jenkins and Zampano sit at the bar together and have a drink.

ZAMPANO

Y'know, when you first walked in here, I thought you were the real deal! I was just about to attack you myself!

The two laugh.

JENKINS

C'mon, Zamp! I've known you for years!

ZAMPANO

So, the big man's figured out a way to duplicate people, eh? Between you and me, I think the world's about to get all kinds of messed up.

JENKINS

That's the idea! But that's just the beginning of the idea.

The two grow serious.

JENKINS

The big man's thinking up something big, Zamp. This whole city? That's just scratching the surface of what Master's gonna change. He has an outpost in the desert, even.

ZAMPANO

Really? How long has it been out there?

JENKINS

Since this project started.

Jenkins raises his glass.

JENKINS

It's all thanks to Street Ninja!

The two laugh again. Jenkins downs the rest of his drink and stands up.

JENKINS

Well! I've got a city to destroy!

ZAMPANO

Aren't you worried that The Unstoppables will get you?

JENKINS

It's all in the plan, Zampano. It's all in the plan.

Jenkins leaves.

INT. MEDICAL WING-DAY

Anya holds a syringe carefully in her hands. It is full of a red liquid. Nightlurker and Jayde stand with her.

ANYA

Vlad, I'm still not sure that this is a good idea. Are you sure about this?

NIGHTLURKER

What other choice do we have? "Jenkins" or whoever this person is, is out to kill. We need to be one step ahead of him.

Anya turns to Noel, who is sitting on a stretcher.

ANYA

Are you sure about this, Noel? You could get hurt!

NOEL

If it means Master's plans are foiled, I'll die for it.

JAYDE

Well, hopefully it won't come to that.

Nightlurker turns to Jayde.

NIGHTLURKER

We must be sure that she will not turn on us like she did before.

JAYDE

I've read her aura. She is honest. She's just trying to do what she feels is best. That's why I couldn't detect her ulterior motives before. She believed that what she was doing was right.

Anya administers the shot to Noel.

ANYA

There. It'll take a little bit of time, but it shouldn't hurt.

NIGHTLURKER

Then let us prepare! We have a long day ahead of us!

EXT. ARVEIVILLE-DAY

Nightlurker, Jayde, Hero, and The Brawn run along the rooftops of the city.

NIGHTLURKER

Alright, Legend's tracker said that trouble is being caused just down this street. I am willing to bet that it is this Jenkins fellow. Are you ready?

Nightlurker lifts and eyebrow to Jayde. Jayde nods quietly. She runs ahead of the group and spots Jenkins on the street below, trying to destroy the tracks on the monorail. She looks back at Nightlurker worriedly.

NIGHTLURKER

Do not worry. I will be right behind you.

Jayde jumps from the building onto the tracks of the monorail. Jenkins looks up to see her. He grins.

JENKINS

Well! If it isn't the leader of The Unstoppables! I've been waiting for an opportunity like this!

He approaches Jayde menacingly. Suddenly, he gets blasted to one side by Nightlurker's magic.

NIGHTLURKER

You will have to keep waiting!

Jenkins is sprawled on the street. He picks himself up slowly and glares at Nightlurker.

JENKINS

That's it, Pal. You just bought yourself first on my list of people to kill!

NIGHTLURKER

I hate to break it to you, "Pal", but I will not be so easy to kill.

Nightlurker and Jenkins have a battle. Nightlurker obviously has the upper hand. He blows Jenkins away with a burst of magic. Jenkins looks badly beaten. He reaches up to his harness, and pulls out a syringe, rather than a shuriken.

JENKINS

I need more power!

Jenkins stabs himself in the leg with the syringe. He groans and some of his veins begin to bulge. His limbs thicken. He looks like a monstrous version of Street Ninja. He retakes his stand against Nightlurker. The other members of the team gather around Nightlurker. The heroes look shocked at Jenkins' new form. Jenkins grins.

JENKINS

You can't kill me! I am Street  
Ninja!!

Jenkins swings his swords around him, destroying everything around him. Citizens scatter in all directions, screaming.

JENKINS

Just try and stop me! I'll kill  
anyone who gets in my way!

INT. RUBELLA'S DEN-DAY

The club room is filled with women. Most are the same from before, but others are new. The room looks a little more simple, and there are no men. Some of the women are taking care of the place, and others offer to help. There are several women seated on couches looking up at a tv. Suddenly, a woman bursts into the room. Everyone turns to her.

WOMAN

It's a city-wide calamity out  
there! Street Ninja is having an  
all-out war with the heroes! Almost  
all of 15th street has been  
destroyed!

Anna, who is tending the bar, speaks up.

ANNA

I've told you, that's not really Street Ninja. It's an imposter! Street Ninja was run out of the city because this imposter is making the city hate him! It's the city's fault the real Street Ninja is gone!

WOMAN

You and your conspiracy theories, Anna! Just turn on the news and see for yourself!

One of the women changes the channel to look at the news. All the women gasp. Jenkins can be seen, looking mutated, and roaring at The Unstoppables as they battle. Jayde stays out of the battle.

WOMAN

See? That Street Ninja is going to tear our city apart!

The women begin chatting with one another, looking worried. Anna whispers to herself.

ANNA

Street Ninja, wherever you are, your city needs you, whether they know it or not.

EXT. ARVEIVILLE-DAY

The team battles Jenkins, as he tears through the city. He glances back at them periodically.

JENKINS

I've just gotta wait for an opening! Just a moment will do!

He turns to look at Jayde. Jayde looks afraid. She veers a little away from him. Jenkins grins.

JENKINS

This is my chance!

Jenkins throws his sword at her. Everyone screeches to a stop. Nightlurker looks shocked.

NIGHTLURKER

No!

Jayde looks surprised. She looks down at herself, and sees a sword hilt sticking out of her middle. She gasps a little and stumbles to the ground. The team runs to her, looking worried. The Brawn looks like he might cry.

THE BRAWN

Boss!

HERO

Jayde! Stay with us!

Nightlurker looks surprisingly calm. He takes Jayde's hand and puts his other hand on her head. He closes his eyes.

NIGHTLURKER

I'm sorry... Noel.

Hero and The Brawn look surprised, but before they can say anything, Jenkins is right behind them and raises his other sword, grinning wickedly. Suddenly, he gets blasted to one side by a burst of psychic power. Hero and The Brawn look surprised. Jayde runs out from an alley and blasts Jenkins again, sending him through a metal gate.

THE BRAWN

Boss! You're alive!

Jayde kneels down with the rest of the team and looks at Noel. She is breathing heavily.

JAYDE

How is she?

NIGHTLURKER

Jayde...

Nightlurker looks at her sadly. Jayde nods.

JAYDE

You stay with her. Hero, Brawn, let's get him!

HERO

Yes, Boss!

## THE BRAWN

You had me all kinds of worried!

The three heroes run away. Nightlurker looks down at Noel, who is beginning to take on her normal form.

## NIGHTLURKER

Noel, I am sorry. It was wrong of me to use you as bait.

## NOEL

Did... Did we get him?

## NIGHTLURKER

Yes. Jayde and the others are taking care of him as we speak.

Noel is herself again. She smiles.

## NOEL

Th... Thank goodness...

## NIGHTLURKER

Come, we must go. We must get you treated immediately.

## NOEL

I may not know much, Mr. Nightlurker, but I do know when I'm dying.

Nightlurker grows quiet.

## NOEL

Thank you... for letting me be truly alive... one more time.

Noel takes a long, shuddering breath.

## NOEL

You all have no idea how lucky you are... to be able to live your own lives and have hopes and dreams... Take advantage of it... while you can...

## NIGHTLURKER

While we... can?

NOEL

My master has a plan for this city... I don't know what it is, but you need to be ready. Don't let... him take away... all of these... beautiful... lives...

Noel closes her eyes and goes limp. Nightlurker looks mystified for a moment as he stares at her. Then he grows serious. He takes the sword out of a Noel gently, and lays it on the ground. Then he takes off his cape and wraps it around her little body. Then he reaches for the sword. He looks at it unsuredly, then puts on a determined face and grips it tightly. He stands up and runs away.

EXT. ARVEIVILLE-AFTERNOON

The battle continues, all of The Unstoppables look exhausted. Nightlurker leans on the sword like cane, and supports Jayde with his other hand. Hero is reloading a gun, and The Brawn has his hands on his knees, breathing heavily.

THE BRAWN

It's... It's no use! I can't hold him off! Whatever drugs he keeps sticking into himself are really making him strong!

JAYDE

We can't give up! It's our job to save this city!

THE BRAWN

By the way, where'd you learn to use a sword, Lurky? You were pretty good out there with that sword and magic combo!

NIGHTLURKER

I must admit that I am not sure. I suppose that when Street Ninja and I switched bodies, I must have gained some of his knowledge.

HERO

Well, that makes sense, because Street Ninja used a little magic when he was in your body, too.

THE BRAWN

Ah, this is making my brain hurt!

NIGHTLURKER

Let us focus on the task at hand, shall we?

Jenkins emerges out of a pile of rubble, looking badly beaten, but smiling.

JENKINS

Whow! I'm really giving you guys a run for your money, aren't I? Master's gonna love this!

NIGHTLURKER

Who is your master?

JENKINS

Like I would tell you! But it won't matter, eventually. Soon, everyone will know who he is!

Jenkins runs at them again. The team scatters. Nightlurker uses some magic on his sword and swings it at Jenkins. It slices into his arm. He roars angrily.

JENKINS

You'll pay for that, you idiot!

From an alleyway, Hodolph watches the fray. He looks scruffy, with dark rings around his eyes. He looks pale, and thinner.

HODOLPH

Looks like the city has fallen under a bit of bad luck since that Street Ninja got himself chased out of the city. Maybe I'll use these circumstances to my advantage. I owe those heroes a bit of revenge for what they've done to my wife!

Hodolph jumps out into the battle. The Unstoppables look surprised.

JAYDE

Hodolph?! Not you too!

HODOLPH

you lot deserve all of this! Jaqui has completely lost her mind sine you had her locked up! There's nothing left of her now! So I'm going to take this opportunity to make you suf-

Hodolph gets blown into a brick wall by Jenkins. Hodolph lays on the pavement, uncontious.

JENKINS

What an annoying little fat man. He's trying to steal my glory. This battle is between you and me.

HERO

Guys? I'm almost out of ammo.

THE BRAWN

And I'm not sure how much more of this I can take! He's a lot stronger than I am!

JAYDE

We have to keep trying! We can't let him win!

NIGHTLURKER

Stay strong! What does Street Ninja do when he gets beaten down? He gets back up!

THE BRAWN

He also has a healing ability!

JAYDE

We have powers too! We're  
superheroes! Once an Unstoppable,  
always an Unstoppable! And  
together, we are unstoppable!

HERO

Yeah!

JAYDE

We can take Jenkins! Because we're

TEAM

Yeah!

The Unstoppables run at Jenkins, and Jenkins runs at them.
