

INT. IVAN'S ROOM-MORNING

We slowly pan through the bedroom. The bed is neatly made. One of Ivan's enejačōs is lying on the floor next to a pool of blood. Ivan is off-screen in the bathroom. The door is open, and we can hear water running. We enter the bathroom. Ivan has his face in the sink. He lifts his head, which is dripping wet. He looks at himself in the mirror. He frowns. He dries his face, looking in the mirror again. His reflection suddenly begins speaking.

BLACK

Well, that was quite an expirament.

Ivan sighs, hanging his towel back up on its hook.

IVAN

I was bored, plus, its good to know.

BLACK

That we're indestructible? We thought we already knew that.

IVAN

That every part of my body is a self-sustaining, sentient, living organism, and that it will find a way to reconnect itself by whatever means necessary.

BLACK

Yeah. That. So basically we're indestructible.

Ivan turns and walks out of the bathroom. He looks down to see the blood and sword handle. He picks up the sword handle and turns to open a closet. Inside is all his Street Ninja gear. He puts it all on. There is a knock at the door. Ivan answers. A stubby robot stands in the doorway.

ROBOT

Good morning, Ivan! Did you remember that you have an appointment with Miss Anya this morning?

IVAN

What? Oh, I totally forgot! Thanks!

Ivan pats the robot on the head as he jumps past him and sprints down the hallway.

INT. MEDICAL WING-DAY

Anya and Ivan sit at a table. Anya has a clipboard, and is looking through some papers. Ivan watches her.

ANYA

I'm glad you made it. I was beginning to worry you wouldn't show at all.

IVAN

Sorry. I was... distracted.

ANYA

With what?

Ivan looks at Anya, then down at her papers.

IVAN

Do all those papers have to do with me? What do they say?

ANYA

They're just medical records. I just pulled them up to get a better idea of what we're dealing with.

IVAN

Do they have my healing ability listed?

ANYA

Sorry?

Ivan stands up.

IVAN

I was distracted this morning, because I found out I could do this.

Ivan pulls out an enejatō. He holds out his other arm. The whole time, he is watching Anya's face. She looks horrified.

ANYA

Ivan, what-!

Ivan slices off his own arm, not even flinching. He stoops down to pick up his severed arm, and throws it across the room. Anya stares after him in horror. She stands.

ANYA

Ivan! This is-

IVAN

Wait for it.

Suddenly, the severed arm lurches forward, crawling on the ground with its fingers. It leaves a trail of blood behind it. It crawls until it reaches Ivan's foot. Then it proceeds to climb up Ivan. Ivan watches Anya the whole time with a pensive expression. The arm connects itself back to Ivan's shoulder. After a few seconds, Ivan moves his arm around, as though nothing had ever happened. He replaces his enejatō.

IVAN

Is that on my medical record?

Anya stands breathless. Then she shakily picks up her clipboard and edges toward the door.

ANYA

I... I'll... go update your record right now!

She leaves. Ivan sighs and sits at the table.

BLACK (V.O.)

You know, we probably freaked her out.

IVAN

She would find out eventually. I am a freak, after all.

INT. LEGEND'S OFFICE-DAY

The team sits at the table, save for Ivan. The Brawn groans.

THE BRAWN

You're serious? No missions today either? Not even a bike thief?

LEGEND

No missions is a good thing, Ted. It means you've been doing your job well. Nothing bad is happening in ArbeiVille.

NIGHTLURKER

Or it could be the calm before a storm.

HERO

Wow. Are you always this optimistic?

JAYDE

He has a point, Hero. Perhaps the reason things are smooth right now is because someone out there is planning something. We mustn't let our guard down.

The Brawn looks around.

THE BRAWN

Hey, shouldn't Ivan be here to discuss this with us?

NIGHTLURKER

Yes, I have not heard a snyde remark from him at all yet, today!

LEGEND

He's in the medical wing, right now, but he should be done soon.

Suddenly, a light flashes on the table. Legend pushes a button.

LEGEND

Miss Anya, you have something to report?

ANYA (O.S.)

Yes, Sir! It's Ivan! We've run some diagnostics on him that I think you'll want to take a look at!

LEGEND

Send me the files.

ANYA (O.S.)

Yes, Sir.

LEGEND

How did you discover this?

ANYA (O.S.)

I'll let him tell you himself.

Ivan suddenly walks into the room. He miles.

IVAN

Good morning, team! How's my favorite band of super heroes? Keepin' it real, beak face?

Ivan nods to Nightlurer, who rolls his eyes at him in response. Ivan sits down at the table. He and The Brawn bump fists. He smiles at Hero, who lowers her eyes shyly.

LEGEND

Ivan, Anya says you have something to report.

Ivan blinks, a blank look on his face. Then he smiles.

IVAN

Oh, yeah! I sliced off both of my arms this morning!

Everyone sits in stunned silence. Ivan leans back in his chair and puts his hands behind his head.

IVAN

And as you can see, I was able to put them both back on and they work fine.

## LEGEND

Ivan, I admire your bravery, but this healing ability is not something you should experiment with on your own. What if it suddenly stopped? You could be armless!

## IVAN

I think Anya's fancy diagnostics will say otherwise.

Legend pushes a few buttons on the table, pulling up the diagnostics on the holograph viewer. Legend reads the diagnostic out loud.

## LEGEND

After reviewing Ivan's blood and tissue samples, we have concluded that Ivan possesses a completely foreign body type. Ivan's whole body uses tissues and a blood type that have never been seen before. His body, down to his molecules, has a self-sustaining factor, which enables severed parts to become reattached and heal at an amazing rate. This also gives an extra sensory factor to Ivan's nerves, giving him the ability to sense danger and see in the dark. We are still unsure of how this is possible.

There is a silence.

## THE BRAWN

So... what does that mean in English?

## LEGEND

It means that Ivan is a little more special than we previously thought.

## BLACK (V.O.)

It means we're a freak.

Legend is about to say something, when the holograph suddenly changes to the map of ArbeiVille and a red dot shows up. The Brawn cheers.

THE BRAWN

Yes! A mission! Let's do this!

JAYDE

It's just a few blocks away! Let's get going, team!

Everyone jumps up. Legend presses a button which opens the window. The team jumps out. As they travel, Ivan looks at Hero.

IVAN

So Hero! I was wondering. After we save the day and all, would you like to do something with me afterwards?

HERO

Um, is this really the time to be talking about this?

NIGHTLURKER

Focus on the task at hand, you fool!

EXT. ARBEIVILLE-DAY

The team arrives at an intersection. There are three cop cars in the center, and a biker gang circling them. The bikers laugh. One of them speaks up.

GANG LEADER

We're the new authority in town!  
You cops are obsolete! We'll take you all out one by one!

The gang leader lets loose a chain whip, destroying the hood of one of the cop cars. The cops hold out their guns.

COP

Cut this act out or we'll shoot your tires!

IVAN

Save your bullets, Sir! We're on  
it!

The team swoops in and takes out the bikes one by one. Hero uses her guns to take out tires, The Brawn picks up a bike and squashes it in his hands, Nightlurker uses his powers to make one of the bikers punch his friend, and Jayde picks up a bike with her mind and pins a biker to the ground with it. Ivan engages the gang leader in a fist fight. Ivan uses an upper cut and the gang leader goes down for the count. Ivan looks around, seeing everyone battle. He catches sight of a gang member pulling out a gun and pointing it at Hero. He gasps.

IVAN

Hero, look out!

Ivan leaps inbetween her and the gang member, and gets shot several times. Hero turns to see what has happened and gasps. Ivan remains standing, however, and proceeds to punch out the guy with the gun. The remaining gang members see Ivan, whose bullet holes are already healing, and take off running. Ivan turns to Hero, offering her a hand to help her to her feet.

IVAN

You alright?

Hero nods, staring at him.

HERO

Uh, yeah.

Nightlurker grabs Ivan's shoulder and turns him around.

NIGHTLURKER

You idiot! You scared them all off!  
Now we will never catch them all!

IVAN

Well, hey! If they come back, we'll  
catch them then!

NIGHTLURKER

Is this some kind of game to you?  
The sooner we catch these ruffians,

(MORE)

NIGHTLURKER (CONT'D)

the sooner we can put an end to their terrorizing the city! There should not have to be a next time!

HERO

Give it a rest, Nightlurker! The gang leader is still unconscious over there! And there's a few others that we can gather up! It wasn't a lost cause!

NIGHTLURKER

Give it a rest?! I will only rest when this city is completely safe!

Jayde and The Brawn proceed to gather up the unconscious gang members. The police help them. Ivan stands angrily before Nightlurker.

IVAN

You've been on my tail for the past week, now! What's your problem?

NIGHTLURKER

What is my problem? My problem is that ever since you joined the team, structure has gone out the window! You are erratic, unorganized, impulsive-

IVAN

Your problem is that you're wound up too tight! Loosen up!

NIGHTLURKER

Oh, I'll loosen something!

Nightlurker's hands begin to glow with a black aura. Ivan winds up for a punch. Hero gets inbetween them.

HERO

Stop it, you two!

BLACK (V.O.)

Let him at us! We can heal almost instantly! We'll teach him some martial arts he'll never forget!

NIGHTLURKER

Your mind is a crowded place,  
Street Ninja! I can almost hear the  
voices in your head screaming!

Ivan looks taken aback. He takes a step backwards.

BLACK (V.O.)

He's insulted us again! Are we  
going to just stand here and take  
it? Let's fight! Let's fight! LET'S  
FIGHT!!

Ivan turns and runs away. He uses his adhesive guards to scale a building and runs along the rooftops until he disappears. Hero glares at Nightlurker.

HERO

I've never seen you act that way!

Nightlurker turns away.

NIGHTLURKER

He's a disgrace to The  
Unstoppables.

Hero looks over at Jayde. She nods. Hero turns to follow Ivan.

EXT. ARBEIVILLE-AFTERNOON

Ivan sits on top of the warehouse building overlooking the bay. He watches the sky as the sun begins to set. Hero jumps from rooftop to rooftop over to him.

HERO

I finally found you! I was getting  
worried!

Ivan looks up at her with a small smile, but turns his gaze back to the bay. Hero sits down next to him.

HERO

It's beautiful.

IVAN

This is the first thing I remember.

Hero looks at him. Ivan turns his eyes to her.

IVAN

I was lying in my bed. I opened my eyes and saw the sun setting over the bay.

Ivan's mind flashes with a memory.

INT. IVAN'S ROOM-AFTERNOON

Ivan is lying in his bed. He breathes deeply and looks out the window at the sunset.

IVAN (V.O.)

Every bone in my body ached. I couldn't move. Then, Legend walked in.

Legend approaches Ivan. He looks down at him. Ivan slowly turns his head to see Legend. Legend smiles.

IVAN

Where am I?

LEGEND

You're at The Tower. I own this place. I train people with supernatural powers to use them for good.

IVAN

Am I one of those people?

LEGEND

Yes, you are.

As Legend says this, Ivan's eyes close again. The screen fades to black.

EXT. ARBEIVILLE-AFTERNOON

Hero looks at Ivan.

HERO

And you can't remember anything  
about your life before that?

Ivan shakes his head.

IVAN

I used to want to find out, but  
I've decided that my life right now  
is pretty cool, so what's the  
point?

HERO

You aren't curious? What if... What  
if you have a family?

Ivan blinks.

IVAN

You mean, more people out there  
like me?

Hero shrugs.

HERO

I dunno. But think about it! Even  
if this life is good, you shouldn't  
just give up on who you used to be!  
Your past is a part of who you are  
too! Not just the present!

IVAN

You're right!

Ivan stands up. Hero does as well.

IVAN

Legend might not know who I was,  
but I'm sure he has a way for me to  
find out!

HERO

That's the spirit!

Ivan smiles at Hero. She smiles back. Ivan leans in a  
little closer, and the two of them are about to kiss, but  
Hero pulls away.

HERO

Um, sorry.

IVAN

Oh, uh, no worries.

They awkwardly move away from each other. Then they jump on the rooftops back towards The Tower.

INT. LEGEND'S OFFICE-AFTERNOON

Legend paces the floor in front of the other team members. He glances at Nightlurker.

LEGEND

I know he's an adjustment,  
Vladimir, but the kid's not so bad.

NIGHTLURKER

Our performance as a team has gone  
downhill since he joined.

Ivan and Hero enter the room quietly, not wanting to disturb the conversation.

NIGHTLURKER

Are we even sure what Street Ninja  
is? He could be an alien!

LEGEND

He's not an alien.

NIGHTLURKER

How are you sure?

BLACK (V.O.)

Ivan! Let's leave the room, right  
now!

Ivan's eyes grow wide.

LEGEND

Because I know him! I know why his  
body is different, I know why he's  
mentally unstable, I know  
everything about that kid!

IVAN

You know what?!

Ivan steps forward. Hero timidly follows behind. Legend looks shocked.

LEGEND

Ivan! Calm down! Let me explain!

IVAN

You told me you found me! That you had no idea who I was before this! You lied to me!

BLACK (V.O.)

Stop thinking! Stop fighting! Stoppit, stoppit, stoppit!!

LEGEND

Ivan, I did this for your own safety! Calm down!

Ivan takes a few deep breaths. He falls to his knees. Legend comes to his side.

LEGEND

Your past was so traumatic, that you went completely insane. You had me wipe your memory. It was your choice. If you try to remember it, you'll go crazy again. Just relax.

Ivan stands up, looking around the room. His teammates all look at him with afraid expressions, save for Nightlurker, who glares at him.

IVAN

So I really am a freak?

NIGHTLURKER

Yes! You are!

There is a resounding slap. Nightlurker's mask falls to the floor. Ivan blinks in surprise. Nightlurker stands stunned, looking at Hero who has her and raised. She was the one who slapped him. She looks at Nightlurker with an angered expression, tears in her eyes. Ivan looks around.

BLACK (V.O.)

We've made quite a mess, haven't we?

Ivan nods slightly, looking down at his wrist and ankle guards. Moving swiftly, he takes off all his gear and leaps for the open window. Legend calls after him.

LEGEND

IVAN!

HERO

NO!

EXT. ARBEIVILLE-NIGHT

Ivan falls through the air.

IVAN

They're better off without me.

BLACK (V.O.)

We're better off without us.

Ivan shuts his eyes as he makes contact with the ground.

Ivan opens his eyes slowly, groaning loudly. As the camera moves away from his face, we can see random body parts crawling towards his head. He looks around as his body pieces itself back together.

BLACK (V.O.)

Look at us. We can't even die right.

IVAN

I wasn't trying to die. I just needed to get away. How long has it been?

BLACK (V.O.)

We don't know. It gets dark fast after sunset.

Ivan takes off into a run. He uses his acrobatic skill to street jump away from The Tower.

INT. LEGEND'S OFFICE-NIGHT

The team stands around in the room. Legend sits at the table with his head in his hands.

HERO

How could you say those things to him?

NIGHTLURKER

He provoked me! He has been calling me those ridiculous nicknames since he joined the team! And you cannot deny his recklessness! Not after what he just did!

JAYDE

Nevertheless, he's an Unstoppable, just like the rest of us. We need to find him.

THE BRAWN

Uh, guys? He just jumped out of the tallest building in the city. How do we know he's still... alive?

LEGEND

He's still alive. He is incapable of dying.

THE BRAWN

How do you know?

LEGEND

Because I made him that way.

Everyone is silent.

JAYDE

Maybe you better tell us everything.

Legend nods.

LEGEND

Alright, but you must all swear not to say anything about this to Ivan.

The team nods.

EXT. ARBEIVILLE-NIGHT

Ivan sits on top of the warehouse at the bay. He hugs his knees and sighs.

LEGEND (V.O.)

I know why his body is different, I know why he's mentally unstable, I know everything about that kid!

BLACK (V.O.)

He knows everything. And we know nothing.

Ivan curls up tighter.

IVAN

It's better this way.

BLACK (V.O.)

I know, but it still hurts.

Ivan sighs. He looks up at the moon. Suddenly, he hears the sounds of motorbikes. He turns his head in the direction of the sound.

BLACK (V.O.)

Are we gonna check it out? It could be the biker gang.

IVAN

Let The Unstoppables get it. They were fighting crime before I ever joined.

INT. LEGEND'S OFFICE-NIGHT

Everyone stands around Legend with wide eyes. Hero is crying. Nightlurker has his head bowed. Legend sits at the table.

LEGEND

And because of that, he blamed himself. Not only was his body trying to reject its new blood and tissues, but his mind was destroying itself as well. He had me erase his memory.

NIGHTLURKER

How cruel I have been. His actions were indeed admirable. Now he desires nothing more than to be accepted into the team, and I rejected him completely.

HERO

We have to find him!

THE BRAWN

But where would we start?

Suddenly, the map shows up above the table. A red light near the bay lights up.

NIGHTLURKER

I think I may have an idea.

EXT. ARBEIVILLE-NIGHT

The biker gang is wrecking havoc in the streets. Dumpster fires and chain whips everywhere. People are screaming and running away. The biker gang has many more members than before. They laugh.

GANG MEMBER

Where's that super team of clowns now?

NIGHTLURKER

Over here!

Nightlurker appears out of a plume of black smoke and gives the biker a right hook. The rest of the team swoops in and a fight ensues. At first, it seems like The Unstoppables have the upper hand, but more and more bikers get in on the fight.

THE BRAWN

There's too many of them!

JAYDE

Where's Street Ninja? I don't see him anywhere!

The fight continues. A biker comes forward with a gun, the same one from before, and shoots Nightlurker in the

shoulder. Nightlurker groans. Hero sees this happen, and she gasps. She turns around and shoots the gun out of the biker's hand. Three more bikers come from behind her and wrestle her to the ground. Five others with chain whips use them to restrain The Brawn. Jayde fights alone, but they begin to descend upon her. Suddenly, Ivan appears on the scene.

HERO  
Street Ninja!

IVAN  
Nope. Just Ivan. Must've left my gear at home.

THE BRAWN  
But Ivan is still good! You can take these guys!

Ivan turns on the men who are holding Hero down.

IVAN  
Hands off! I saw her first!

He punches them all to kingdom come, then helps Hero to her feet. She pulls out a gun and helps Jayde fight. Ivan jumps over to Nightlurker.

IVAN  
Looks like you've taken a hit.

NIGHTLURKER  
Ivan! I have misjudged you terribly. Please forgive me!

IVAN  
Save your strength. Can you still use your magic?

NIGHTLURKER  
I... I believe so.

IVAN  
Do me a favor and do something about those chains on The Brawn, will ya?

Nightlurker reaches out with one hand, and the chains binding The Brawn begin to melt. The Brawn breaks free and begins to fight. Nightlurker sinks back to the floor. Ivan supports him.

NIGHTLURKER

I take back everything I said about you before, Ivan. I will never doubt your usefulness to The Unstoppables again!

IVAN

Thanks, Pal. Now take it easy.

Ivan leaps away and enters the fight. The team works together to round up the bikers. Nightlurker uses the last of his strength to cuff all the bikers. Then the police helps to take them all to jail. Ivan rests his foot on one of the bikes.

IVAN

Hm. Well, those bikers won't need these where they're going! I wonder if Willis could put them to use!

JAYDE

If we show up at the weaponry with all of this, Willis is going to act like a kid on Christmas.

Nightlurker groans, falling to the floor. Ivan and Hero come to his side.

IVAN

Nightlurker!

HERO

He's unctious from loss of blood! We'll need to hurry him back to The Tower!

JAYDE

I'll summon the Unstoppable Car!

IVAN

Hang in there, Nighty.

INT. MEDICAL WING-DAY

Nightlurker is lying on a hospital bed, wearing only a dark purple shirt and his slacks. His shoulder is bandaged up. He groans quietly and opens his eyes. Ivan is wearing his adhesive guards, and is hanging over him on the ceiling. He grins.

IVAN

Good morning, Handsome!

NIGHTLURKER

How long was I out?

IVAN

Only a few hours. It's about lunch time. You hungry?

NIGHTLURKER

Famished.

Nightlurker sits up, grunting, and looks at the small table beside him. A meal is set up for him. It includes four slices of toast.

IVAN

I didn't know what you like, so I ordered you a little of everything!

Nightlurker bites into a piece of toast as he looks up at Ivan.

NIGHTLURKER

You are not angry with me?

Ivan climbs down to the floor.

IVAN

Nah, you had the best interests of the city at heart. And I'm fully aware that I'm obnoxious.

BLACK (V.O.)

Hey!

Nightlurker chuckles.

NIGHTLURKER

Well, recognition is the first step  
to recovery.

Ivan smiles as well.

IVAN

We're on the same team, Vlad. I  
mean to keep it that way. Face it,  
you're stuck with me, bro.

NIGHTLURKER

What about your past?

IVAN

My past can go jump in the lake.  
It's not the greatest, apparently,  
so why would I want to remember it?

Nightlurker falls silent for a while.

NIGHTLURKER

Legend was right. Your amnesia is a  
blessing.

Ivan nods.

IVAN

Well, I came to make sure you were  
alright. You're in good hands down  
here, so I better be on my way.

Ivan turns to leave.

NIGHTLURKER

Ivan?

Ivan stops in the doorway.

NIGHTLURKER

I find myself filled with gratitude  
to you again. I will not let myself  
forget your kindness again. You  
have my word.

IVAN

And I promise to work on the being  
annoying thing.

The two smile again before Ivan leaves the room.  
Nightlurker chuckles softly.

NIGHTLURKER

Not likely, but it is the thought  
that counts.

INT. TRAINING ROOM-DAY

Ivan has none of his gear on, but has martial arts tape wrapped around his hands. He stands in front of a punching bag, practicing his hand-to-hand combat.

BLACK (V.O.)

Were we serious back there? About  
forgetting about our past?

IVAN

Well, yeah. I mean, it's going to  
bother me, but I'd rather have that  
then my sanity unwinding. Sorry.

BLACK (V.O.)

For what?

IVAN

I thought you wanted to find out.

BLACK (V.O.)

Well, we did. Until Legend started  
talking about it. Then we got  
really scared.

IVAN

Why?

BLACK (V.O.)

Don't know. Our past must be really  
scary.

IVAN

Another reason to forget about it.

Ivan suddenly whirls around to see Hero coming up behind him. Hero smiles.

HERO

I guess there's no sneaking up on you.

IVAN

Déjà vu.

Hero looks confused, but then smiles again.

HERO

I just visited Vlad. He told me how you ordered him lunch. That was sweet of you.

IVAN

The guy has good intentions. No hard feelings.

HERO

I'm glad.

Hero comes forward and puts a hand on Ivan's shoulder.

HERO

I seem to recall someone wanting to go on a date after we finished saving the day.

BLACK (V.O.)

Dude, she is so into us!

IVAN

Oh yes! I remember! I also recall never getting an answer.

HERO

How's this for an answer?

Hero pulls Ivan's head toward her's, and the two kiss. Ivan smiles.

IVAN

So, does this mean we're dating?

HERO

Was my answer not clear enough for you?

IVAN

Uh, maybe you should try again...

Hero laughs.

HERO

I can tell this is going to be fun.

END.
